

2019 Westgate Las Vegas Super Contest

The Fund Manager has entered into a very interesting contest run through the Westgate Casino in Las Vegas. Each week, contestants will submit 5 games, against the spread. Last year's winner brought home a very cool \$1.4 million. The Fund Manager will submit his selections to me as well, and every Thursday they will appear on my website. We've decided to start with a "virtual" portfolio of \$5,000 and we will naively allocate \$550 to win \$500 for his favourite game of the week, \$440 to win \$400 for his second favourite, \$330 to win \$300 for his third favourite, \$220 to win \$200 for his fourth and \$110 to win \$100 for his fifth. I would encourage anyone interested to track his effectiveness and then if it seems to be working, piggy-back off those selections.

If you would like to follow him on Twitter, his handle is [@sportsinvestin3](#)
